

Pender Pack Off-leash Daycare Consent & Waiver

The guiding principle behind doggie daycare is simply to provide a safe and healthy atmosphere with lots of interaction with dogs and people. Dogs are “pack animals” by nature; they need interaction with other dogs to develop and maintain appropriate social skills. Daycare fulfills the need to be around and play with other canines. Injuries such as nicks, scrapes, and occasional punctures in group play are inevitable. Here at Pender, we believe the benefits of group play far exceed the risk.
