

### Canine Enrichment Consent & Waiver

The guiding principle behind our canine enrichment program is to provide a safe and healthy atmosphere in which to give dogs added physical and mental stimulation during their stay. Dogs require mental and physical stimulation to thrive, and enrichment helps fulfill that need.

Injuries such as nicks, scrapes, and occasional sprains during activity can sometimes occur. Here at Pender Pet Retreat, we believe the benefits of enrichment far exceed the risk.

Please read the consent and waiver below, initialing each line and signing the last page.
